

Architect

Winnipeg, MB

We are **Republic Architecture Inc.**, a group of individuals who are passionate about our work and committed to a collaborative approach to design. Driven by the journey, we utilize an explorative process that connects all the right people around the table. Our desire to produce thoughtful and sustainable projects that engage the public is at the heart of everything we do.

Position

We are looking to add an **Architect** to be part of our integrated team environment. This position includes:

- Managing the building design process from project inception through to completion.
- Programming, strategic and space planning, conceptual exploration and design development.
- Continually improving design quality by providing thoughtful solutions to design problems.
- Working on a variety of cultural, defence and educational projects across the country.
- Collaborating alongside a broad, multidisciplinary consultant team and our client groups.
- Balancing a desire for design excellence, sustainability and cost effectiveness.

Qualifications

Preference will be given to a well-rounded individual who strives to push design innovation through responsible and sustainable architecture and has demonstrated success in producing building projects. Registered membership with a provincial architectural association or the AIA is preferred.
