About Republic

Republic Architecture Inc. is a creative and inclusive team. We are passionate about our work and committed to a collaborative approach to design and practice. Driven by the journey, we utilize an explorative process that connects all the right people around the table. Our desire to produce thoughtful and sustainable projects that engage the public is at the heart of everything we do.

Position

We are looking to add an **Architectural Intern** to our growing team, to be part of our integrated team environment. This position includes:

- Shadowing architects on-site reviews, design projects, and building condition assessments;
- Preparing reports, minutes or other required project deliverables;
- Providing support to the firm's various projects and initiatives;
- Working on a variety of cultural, defence and educational projects across the country; and
- Collaborating with our client groups and multidisciplinary consultant team.

Qualifications

Preference will be given to a well-rounded individual who strives to push design innovation through responsible and sustainable architecture. The ideal candidate will have:

- A Bachelor or Master of Architecture;
- A minimum of two (2) years of experience with architectural projects is preferable;
- Revit, AutoCAD, skills are required other BIM tools are an asset;
- Excellent communication skills; and
- Registration with a provincial association is an asset.
