

## Professional Interior Designer

### About Republic

We are **Republic Architecture Inc.**, a group of individuals who are passionate about our work and committed to a collaborative approach to design. Driven by the journey, we utilize an explorative process that connects all the right people around the table. Our desire to produce thoughtful and sustainable projects that engage the public is at the heart of everything we do.

### Position

We are looking to add a **Professional Interior Designer** to our team, responsible for delivering cohesive interior design services for a variety of healthcare, office, defence and educational projects across the country. This position includes:

- Collaborating as part of a tenacious multidisciplinary design team to produce functional and cohesive experiences for an assortment of user groups.
- Regularly interacting with client groups and providing them with solutions that ensure that their needs are being met in an innovative and creative way.
- Programming, strategic and space planning, conceptual exploration and design development.
- Producing detailed design drawings, furniture and fit-up plans, and colour and material schemes.
- Extensive experience with, and knowledge of, furniture systems and procurement.
- Upholding and representing the ideals of design excellence, sustainability and cost effectiveness in design projects.

### Qualifications

Preference will be given to an individual with a minimum of five (5) years of experience with commercial interior design projects. Candidates must have experience working in AutoCAD to prepare construction documents, and should have excellent communication skills, preferably with fluency in both English and French. Professional registration to a provincial interior design association is an asset.
