

HERITAGE CONSULTANT

Republic is not your average design firm. Driven by the journey, we utilize an explorative process that connects all the right people around the table. Our desire to produce thoughtful projects that engage is at the heart of everything we do.

If you've met our team, visited our studio, or checked out our social media posts, you know we take a unique approach to everything we do. Dedicated to elevating and maintaining the health and wellbeing of our team, the studio is decked out with fitness equipment, the kitchen is stocked with healthy snacks, and work areas range from cozy café style lounge spaces to ergonomically friendly sit/stand desks. These are just a few of the things that make us different. There's also our monthly team events, and so much more.

As a **Heritage Consultant** you will play a pivotal role in preserving historical buildings through thoughtful design and planning. You will collaborate closely with architects and engineers to ensure that historical integrity and significance are properly considered and preserved.

Heritage Consultant duties include:

- Conduct thorough heritage assessments and impact analyses for development projects.
- Provide expert advice on heritage conservation strategies and regulatory compliance.
- Collaborate with project teams to integrate heritage considerations into design proposals.
- Prepare heritage impact statements and contribute to facility condition assessments.
- Liaise with clients, stakeholders, and regulatory bodies on heritage-related matters.
- Conduct archival research and field surveys to gather relevant historical data.
- Prepare and deliver presentations on heritage conservation principles and best practices.

Preference will be given to candidates with the following qualifications:

- An interest and passion for Heritage Conservation, Historic Preservation, Architecture, Urban Planning, and the built environment.
- Experience in heritage consultancy or a similar role.
- Strong knowledge of local, national, and international heritage preservation standards and regulations.
- Proven track record of successfully managing heritage aspects of complex projects.
- Excellent research, analytical, and report writing skills.

Career Opportunity

- Experience in stakeholder engagement and public consultation processes.
- Professional certification MAA is advantageous.
- Exceptional attention to detail and a passion for historical research.
- Ability to communicate complex ideas effectively, both orally and in writing.
- Strong project management skills with the ability to prioritize tasks and meet deadlines.
- Collaborative mindset with the ability to work effectively in a multidisciplinary team environment.
- Commitment to sustainable design practices and cultural sensitivity.
