GRAPHIC DESIGN AND CONTENT COORDINATOR

Republic is not your average design firm. Driven by the journey, we utilize an explorative process that connects all the right people around the table. We believe great design has the power to tell unforgettable stories. We are looking for a passionate Graphic Design and Content Coordinator to join our team and elevate our visual storytelling across diverse platforms.

If you've met our team, visited our studio, or checked out our social media posts, you know we are unique. Dedicated to elevating and maintaining the health and wellbeing of our team, the studio is decked out with fitness equipment and work areas range from cozy café style lounge spaces to ergonomically friendly sit/stand desks. While the studio is an inviting and creative space, our work can happen anywhere – we allow for remote work and flexible schedules. These are just a few of the things that make us different.

About you:

You believe that great design tells a story. You are an innovative thinker, dreamer, and doer dedicated to crafting unforgettable experiences across various mediums. You are a self-starter excited to explore the boundaries of creativity and help elevate our visual communications across various platforms.

Responsibilities:

- Design visual content for marketing materials, proposals, new business outreach, and projects.
- Update and maintain Republic's website and social media with fresh, relevant content that aligns with our unique cultural brand identity.
- Tell our story through visual narratives that resonate with diverse audiences.
- Participate in brainstorming sessions to generate inspiring ideas and innovative solutions.
- Immerse in the culture of Republic and the AEC industry to visually tell our team's stories.

Tell us why you're our next **Graphic Design and Content Coordinator** Send your resume to: **careers@republicarchitecture.ca**

Qualifications:

- 5+ years of proven experience as a graphic designer or in a similar creative role.
- Proficiency in Adobe Creative Suite (Illustrator, Photoshop, InDesign) and other design tools.
- Excellent communication skills (both verbal and written), with the ability to articulate ideas clearly.
- Strong understanding of design principles (typography, color theory, and layout).
- Ability to work collaboratively in a team environment and communicate ideas effectively.
- An adventurous spirit and a willingness to experiment with new techniques and styles.
- Website development and management is an asset.
